Dave: According to the records the most stupidest person is Romeo.

Romeo: Oh my God I can't believe it. I can't believe I won the stupid contest.

Captain: Yes. Jeremy is our new recruit.

Jamie: So that's who that guy is. His armor color looks like a shit you shit!

Monico: You've got to be kidding me.

Jeremy: What?

Monico: Why the fuck are you on their team?!

Romeo: Maybe he wants a slumber party!

Monico: Shut up Romeo!

Jeremy: Excuse me do I know you?

Dave: Really Jeremy? You really think playing dumb is going to help you?

Jeremy: I have no idea what you're talking about.

Romeo: I'm confused.

Monico: Funny. Something tells me that you want to be on that team and use them to kill me and everyone else.

Biff: Can someone tell me what the fuck is going on?

Dexter: Well Biff, we're about to hit the conflict of this episode.

Biff: Oh, well that pretty much sums it up.

Captain: Leave him alone Green!

Dave: (turns to Monico) Yeah leave him alone I'm past due of my home movies.

Monico: Really Dave?

Dave: What? But I am...

Monico: (interrupts) Shut up!

Cupcake: What's a "home movie"?

Dexter: Cupcake, I think it's better that you shouldn't know.

\*The Camera goes to Jeremy who is getting pissed off while everyone is still talking and arguing. Then Jeremy breaks...

Jeremy: WILL ALL OF YOU SHUT THE FUCK UP!

\*Everyone looks at Jeremy and everything goes quiet.

Jeremy: (still pissed) Okay yes Monico! You're right Monico! I wanted to be on red team to kill you all, but you guys are so fucking annoying! No wonder why the UNSC dropped you guys off and left you to die!

Captain: You're making that up.

Jeremy: Oh Captain My Captain, do you think I was really sent here for white team.

Monico: I know where you're here for, and I'm not coming with you!

Jeremy: (laughs) The hell your not.

Biff: Um, Captain? What do we do?

Captain: I actually don't know what to do.

Dexter: Captain?

Romeo: I'm still confused.

Dave: Romeo, you're always confused.

Romeo: I don't understand what you just said.

Dave: I know...

\*Jeremy jumps on the side of the bridge everyone lifts up their rifle. Jeremy lifts up a rocket launcher and has a fuel rod on his back.

Jeremy: Fine! I don't need you alive anyways.

Monico: This might be a bad time Captain, but I need your help.

Captain: ...and why would I help you?

Monico: Because he could kill us all that's why!

Captain: (annoyed) Fine!

Jamie: (armor changes from green to black or steel) \*Sighs\* Jeremy you were always so terrible when it comes to plans.

\*Jamie held up a two pistols to Monico's back of the head and pointed at Dave. While Romeo looks the other way again and Dave points his assault rifle at Jamie.

Jamie: You know Monico, I thought you were smarter than this.

Monico: (lowers her assault rifle) God dammit I should of known.

Jamie: Yes...Jamie the Agent is here too...

Jeremy: About time your ass helped me.

Monico: Hey people! I'm Monico Jones from the popular book series White VS Green.

Cupcake: ...and I'm Cupcake Frosting. Hey everyone!

Monico: If you haven't noticed already this is the last bonus episode for this season and next will be the season finale.

Cupcake: So what we will be doing today is "Discipline".

Monico: In today's society, Discipline is lacking by...a lot.

Cupcake: Yeah...my parents were never home. Basically, I was considered a mistake, and my parents never really cared about me. All they cared about is smoking that damn crack all day.

Monico: (looks at Cupcake) I'm sorry that happened to you Cupcake. I usually don't care, but that's...that's just terrible. So they never disciplined you at all?

Cupcake: Nope. I tried everything to impress my parents. Anyways what's discipline?

Monico: (face palms) Ugh...I don't know why I even bother. Anyways we are going to show you a few ways of how to discipline.

\*Scene changes to show Captain and Biff who will be showing the demonstration of the ways to use discipline. They are in the front of White base. Cupcake and Monico will be doing the voice over.

Cupcake: (voice over) Option one for discipline: Spank the disobedient bastard.

\*Captain pulls out his shotgun and shoots Biff and laughs.

Biff: (in pain) Ow, why?!

\*Scene resets and it shows Captain and Biff standing on top of a bridge.

Biff: Whoa, what the hell happened?

Monico: (voice over) Option two for discipline: Ground them!

Biff: Wait, who's talking?

\*Captain grabs Biff and throws him off the bridge and laughs.

Biff: (in pain) I can't feel my body.

\*Scene resets and Captain and Biff are in the front of White base again.

Biff: (looks around in confusion in frustration) What the fuck is going on?!

Cupcake: (voice over) ...and Option three for discipline: (evil voice) KILL THEM!

Biff: Wait, is that Cupcake's voice, and did she just say 'kill them'?

\*Captain points shotgun at Biff and randomly five other people point assault rifles and a random Scorpion Tank.

Biff: Who the hell are these guys? (realizes what's going on) Aw, son

of a bi-

\*Biff dies by lots of gun fire and an explosion. Camera goes back to Cupcake and Monico.

Monico: Well I hope this is good advice for all you people out there.

Cupcake: (whispers) Don't worry Biff didn't die. We just used some other unfortunate person who talked exactly like Biff, but don't tell the Captain. He actually thinks Biff died.

Monico: Wow. Your Captain is really a dumbass.

Cupcake: I know, right?

Monico: Anyways we hope you enjoyed the Bonus Episodes of this season.

Cupcake: Now get ready for the Season 1 conclusion. Coming...um...well I don't really have an answer for when that will happen.

Monico: Hopefully the writer makes it soon. Anyways, see ya.

Cupcake: (waves hand) BYE!

\*episode ends.

\*Halo Combat Evolved multiplayer map: Ice Fields. Everyone is in the middle of the map on the bridge. The Whites are pointing their weapons at Jeremy. Jeremy is pointing his weapons at Monico. Jamie is pointing her two pistols at Dave and one at the back of Monico's head. Dave is pointing his assault rifle at Jamie. Monico is trying not to make any sudden moves. Romeo finally realizes what's going on.

Romeo: Monico, this is the reason why I don't like her.

Monico: (annoyed) I noticed.

Jamie: You know Monico, of all places, you ended up here with these idiots.

Biff: Hey! I find that offensive.

Dexter: Actually, I'm the smart one here.

Jeremy: Oh shut up!

Monico: (annoyed) Alright, that's it!

\*Monico ducks from a pistol that was pointing in the back of her head and grabs it from Jamie. Jamie was about to do a side kick at Monico and she grabs her leg and throws her body at Jeremy.

Jamie: (while flying off the bridge and misses Jeremy) YOU STUPID BI-! (hits the ground)

\*Jeremy fires his fuel rod and everyone flies backwards except Monico. She dodged it and runs at Jeremy.

Jeremy: (shocked) Dammit!

They both fall off the cliff.

Dave: (gets up quickly) MONICO! (runs to the side of the bridge)

\*The Camera moves to reveal Jamie laying on her back, Jeremy on his back and Monico on top. Everyone else gets back up on the bridge. Monico slowly gets up and she grabs hold on her side where the ribs are.

Monico: (in pain) Aw...shit. (turns around to and looks up to see the bridge)

Dave: (yelling) Are you alright?!

Monico: (yells back) Does it look like I'm alright?!

Dave: (turns around to see that everyone is alright) Guys we need to help Monico.

Captain: What's in it for us?

Dave: You've got to be kidding me! You said you would help us!

Captain: So, what do we get if we help you?

Dave: We'll do a surrender.

Captain: Now that's more like it!

Cupcake: Yay this is going to be fun.

Dexter: Do you always think that this is a game?

Cupcake: Well you know that we are actually LAN par-

Dexter: (interrupts) Forget I asked.

Romeo: I found a thing that will take us to ground level.

Dave: Where is it?

Romeo: Um...

Dave: (face palms) Okay...what does it look like?

Romeo: It looks like a rectangle thingy.

Dave: (annoyed) Does it have a color?

Romeo: What's a color?

Dave: (looks behind Romeo and see's in the distance what looks like a teleporter) You know what, Romeo? Nevermind. I think I found it. Come on guys!

\*Everyone follows and ended up on ground level. Monico is missing and so is the Agents (Jeremy and Jamie).

Dave: (shocked) Monico? Monico! MOOOOONIIIIICOOOOO!

Romeo: ROOOMEEEEEEEOOOOOO!

Cupcake: They're gone.

Dexter: Hmm, I wonder where they went.

Captain: God dammit Jeremy! I thought you were on our team.

Biff: Wow, what a dick.

\*In the distance behind a rock. Monico is knocked out and Jamie is keeping watch while Jeremy is trying to call for evac with no success whats so ever.

Jeremy: Dammit, I can't find any signal.

Jamie: Now I know why the UNSC dropped them off into this frozen canyon.

Jeremy: My guess the UNSC dropped them off here because there is no God damn signal out here.

Jamie: Well if you would of kept your mouth shut, we wouldn't be in this mess.

Jeremy: I was accidentally dropped off here.

Jamie: Yeah, and I had to go rescue your stupid ass. Now we are stuck on this piece of shit rock.

\*Monico begins to wake up and sees Jeremy and Jamie eye to eye arguing with each other. Monico gets up and slowly walks away.

Jeremy: How is this my fault?

Jamie: Really? Your going to ask me that question?

Jeremy: Why are you here anyways?

Jamie: I was assigned to help you capture Monico you idiot!

\*Both notices Monico is gone.

Jeremy: Wait a sec. Where is Monico?

Jamie: Wow! Nice going Jeremy.

Jeremy: How the hell is this my fault?

\*Switches to where Monico has made it to the Whites and Greens.

Dave: Monico, there you are? (Shocked) You're injured.

Monico: (falls to the ground) Yeah...could you...h-help me and quit standing there like a j-jackass.

Dave: Sure. (looks around points at Dexter) Hey you. Help my friend.

Dexter: Um...yeah...sure.

\*Jeremy and Jamie appeared.

Jeremy: Not so fast!

Jamie: Hand over Monico, NOW!

Dave: Yeah...lets see...um, NO!

Romeo: What if I say "please"?

Cupcake: Romeo are you okay?

Romeo: Alive!

\*A long pause.

Jeremy: So, are you going to hand her over?

Biff: He told you "no". Now would you just fuck off already? I'm bored.

Jamie: Jeremy, we need more reinforcements we can't fight them all.

Jeremy: Are you shitting me?

Jamie: Jeremy!

Jeremy: Fine...but we will be back!

\*Jeremy and Jamie run off while Dave helps Monico up.

Captain: I'll take it as the fight is canceled today.

Dave: What do you think?

Captain: Dammit green! We will come back to kill you when she gets better. (hesitates) Just let us know when she gets better and we'll come to to kill you.

Dave: Uh...okay?

\*White team walks back to White base. Green team begins walking to Green base. Dave decided to ask Moncio a question.

Dave: Do you think they'll come back?

Monico: I know they will, we will be prepared when that time comes.
